Subject: Invitation to the Paulites Reunion Dinner 2025.
Reconnecting memories, celebrating friendship.

Dear Fellow Paulites,

We are thrilled to extend a heartfelt invitation to all the Paulites and old Paulites for a special and long-awaited Reunion Dinner. After the long hiatus due to the pandemic, it's time to come together and celebrate the bonds we share as members of the Paulite community. This reunion will be a wonderful opportunity to reconnect with old friends, relive cherished memories and reminisce about the experiences that have shaped us all.

It has been a while since our last reunion, and what better time to come together than now, when our beloved school is thriving with so much happening. From the dedicated efforts in education led by our Rector and his teaching staff, to the passionate contributions in sports and behind-the-scenes work by the different batches of Paulites, Educare and Mr. Subir Choudhury, there is much to celebrate.

Kolkata, being the oldest chapter of the Paulite alumni, has been instrumental in organizing and supporting events such as cricket, football and other activities. The legacy of our collective contributions continues to thrive, and this reunion presents an opportunity to reflect on all the great work being done.

Let's come together to honour the spirit of camaraderie and make this evening a night to remember!
